Project Manager

<http://relayer.io/>

Project Management of all the Projects that the Company has.

HIGHLIGHTS

- Document Templates
- Project follow up
- Participate in processes definition.
- Jira / Confluence
- Coach junior PMs.

Q4Tech

June 2011 — December 2016

Customer Manager / Project Manager

<http://q4tech.com/>

Daily customer support, mainly on Mobile Applications in different technologies, but also using some Web Apps. Besides this, I have been involved in projects from scratch which required tasks definition, creation of related documentation, planning & tasks follow up. As a Project Manager, I have been involved in key Projects for companies such as Danone, Bonafont and La Serenisima, between others.

HIGHLIGHTS

- Customer support
- Project follow up
- Basic SQL
- Team Foundation

- MS Project

Q4Tech

April 2010 — November 2011
